PURPOSE

The main responsibility of the certified Massage Therapist is to provide individual sessions of massage to clients. Knowledge and training in one or more massage modalities is essential to this position. Amount of hours dependent upon the number of clients who have signed up for appointments. Massage Therapists provide massage sessions on behalf of Campus Recreation under the supervision of the Student Manager for Massage and a full-time staff professional. This position also represents the Campus Recreation Department by providing customer service, programmatic support, and other related duties.

DUTIES AND RESPONSIBILITIES

- Work with clients to find out what their massage goals are and perform therapeutic massage consistent with those goals.
- Develop a trainer-client relationship that will help empower and motivate a participant to continue healing or maintenance of wellness through massage.
- Ensure all massage facility doors are unlocked and locked when needed and set up supplies and equipment prior to appointments starting.
- Delivery methods may be through table or chair massage, and occasionally off-site in other parts of the Mashouf Wellness Center or on campus.
- Educate participants and staff on safe participation during Campus Recreation activities, and enforce program policies and procedures.
- Attend staff meetings and staff trainings.
- Disseminate information about Campus Recreation programs, including hours, rules, proper equipment usage, and safety.
- Report when equipment and supplies are running low or when equipment needs repair or replacement. Provide a professional, welcoming, and inclusive environment for staff and participants.
- Hours will vary, however students may not work more than 20 hours/week during the academic semester.
